Who is graduating from TARs?

Brighton Roselle

TARS has helped me to become a leader by serving others and my community around me. I have learned that service and humility are key virtues that one must have in life and in politics through the various TARS events that I have attended. I would like to thank the TARS advisors and all other leaders involved in the organization for helping me to become a leader myself, and to Sandy for extending an invitation for me to join TARS. I will be attending Grand Canyon University in the Fall.

Electra Fire

Electra FIRE is graduating from Arete Prep, a Great Hearts school, with a 4.88 GPA and is thrilled to be heading to Hillsdale College in Michigan! She will be on a pre-law track, majoring in philosophy. Ms. Fire wants to practice constitutional law and eventually be a judge.
