

## AZ TEEN REPS TRAINING IN WASHINGTON, D.C.

Senior Advisor to the U.S. Agency for Global Media Kari Lake met with us in D.C., even coming out in the rain. She took time to talk with us, answer questions, and made time to be interviewed by the teens! A memorable moment before we headed off to explore the monuments. Thank you so much Mrs. Lake!

## WHITE HOUSE TOUR

Amazing tour of the East Wing of the White House, visiting historic spaces like the Blue Room, Green Room, and Kennedy Garden. It was a powerful glimpse into the history and tradition of the Executive Mansion. We thank the awesome White House interns who came with us!

## CAPITOL TOUR

The teens enjoyed an incredible private tour of the U.S. Capitol, led by our former Chairman Nico Delgado, who is interning for Congressman Hamadeh. We explored historic sites including his office, the underground tunnels beneath the Capitol, taking photos at Speaker of the House Mike Johnson's balcony, and the Old Supreme Court Chamber.

Thank you Congressman Hamadeh and Nico!

## LEADERSHIP SPOTLIGHT

### **Yidi Chen, Chairman**

Many people in our generation ask questions such as, “How will I pay for college, or even be able to afford a house in the future? Is AI taking over our jobs? What is our government doing to make our lives better and easier?”

While we may not have the right to vote, we have a valuable voice in shaping our lives and communities. This club encourages teens to be engaged in politics and civics, fostering knowledge and leadership skills that last a lifetime. By joining, teens connect with like-minded peers, forming lasting bonds and friendships.

**I invite any teens in middle and high school to show up, be involved, and build your future with us!** Become part of a club and community dedicated to learning, leading, and making a difference!

# CHAPTER SPOTLIGHT: SAN TAN VALLEY

## **Message From Amelia Baker— Chapter Chair**

The San Tan Valley chapter is the newest TARS chapter in Arizona. Their board consists of Amelia Baker, the chairwomen, Megan Bartlett, the vice chair, Elizabeth Dominguez, the secretary, and Lily Porter as the treasurer. They had their first meeting in May, and since then have planned their first event for August.

They made the chapter with the goal of encouraging teens to be active in their civil duties in the Maricopa and Pinal county area. They are very excited to see what lies ahead for them on this journey; they have lots of ideas and are ready to debut.

## **A SPECIAL THANK YOU!**

### **To Our Parents, Advisors, Elected Officials and Supporters:**

On behalf of the Arizona Teenage Republicans, we extend our deepest thanks. Your support, encouragement, and belief in us made our trip to Washington, D.C. possible. Whether you donated, drove, advised, or cheered us on—you were part of this journey. We're especially grateful for the support of those in the political and community space whose contributions truly made a difference.

Your backing helped turn a vision into an impactful experience that inspired all of us.

This trip showed us the power of civic engagement, the beauty of public service, and the importance of standing up and stepping in. But more than that, it reminded us that we're never alone—
