~ **Gianna Davis** ~

My name is Gianna Davis. I've been involved with TARs since I was 14 and now I look back and I am very thankful for the opportunities the organization has provided me with. As the Co-Chair and Founder of the Faith Caucus it gives me the opportunity to share faith and hope, to a hopeless world. Politics has always been a part of my life. My dad helped me realize that it was something I wanted to pursue, and how much I want to help our world. We need to be the generation that brings back family as God designed it to be and I want to be a part of that process, one bible study at a time. God bless you, your family, and the USA.
