

# ***Desert Vista's Young Republicans***

## **Mission Statement – Desert Vista Young Republicans**

Our mission is to create an inclusive space where Desert Vista students can freely express their beliefs without fear. We are committed to enhancing and protecting the First Amendment and the fundamental right to free speech. We choose to think critically, stand firm in our convictions, and prepare to uphold conservative values that make America strong. Through debate, community service, and the leadership of the younger generation, we embrace the vision to promote freedom. As President George Washington once said, “*Observe good faith and justice toward all nations; Cultivate peace and harmony with all*”.

### ***Purpose/Goals***

*The purpose of the Desert Vista Young Republicans is to create an inclusive and respectful space for students to explore, discuss, and express their political beliefs freely. Our goals are to:*

- Promote civic engagement and awareness among students.
- Protect and strengthen the First Amendment right to free speech on campus.
- Provide opportunities for students to share their voices and perspectives.
- Encourage thoughtful discussion on current events, government, and policy.
- Foster leadership skills through debate, service, and political involvement.
- Connect students with opportunities in the broader community,

including volunteering and civic service.

- Prepare the next generation to be informed, active participants in America's future.

### **Inclusivity Statement**

The Desert Vista Young Republicans welcomes all students, regardless of political affiliation or background, who are interested in respectful discussion, civic engagement, and learning more about the political process.

### **Community Benefit**

Our club is committed to giving back through service projects that support local needs and by promoting civic education on campus. We aim to encourage student participation in community initiatives, voter awareness, and meaningful volunteer work that reflects leadership and responsibility.
