Danielle G.

West Valley Chapter Secretary

My name is Danielle G. and I've done TARs for almost a year now. I'm the Secretary for the West Valley Chapter and also enjoy performing in a variety of musical groups. Now that I've completed high school, I'm attending GCU to get my BSN to become a registered nurse. Sometimes I get discouraged about the state of the world (and the country). When this happens, I remember that it is no good to focus on what we cannot change. It's about working on making the best happen within our capacity and sphere of influence. One way I do that is continuing to participate in TARs and within my community. One quote I like is from Dr. Seuss, "Kid, you'll move mountains! Today is your day! Your mountain is waiting. So get on your way!"
