Teens turn out for Yuma Chapter Meeting

Meet Daniel!

Hello, my name is Daniel, and I am an associate member of the Scottsdale Chapter. After I joined TARS in April of this year, I have been involved in several political events. One of the events I attended was TPUSA's Build the Red Wall Rally, where I witnessed President Trump speaking in person for the first time in my life. Other events I attended were the MCRC Lincoln Luncheon and the AZGOP New Office Grand Opening. One of my favorite experiences was when the Scottsdale Chapter hosted Rodney Glassman at my house. One of the ways I've grown the most in TARS has been through my firsthand experiences in the Scottsdale Chapter Meetings. All these experiences have made it clear that I am blessed to be in a country that has freedom and that I have the ability to make this country a better place.

Join us at TeenPact Arizona!

The TeenPact State Class is a dynamic, hands-on, leadership experience where students learn about state government from a Christian worldview. TeenPact offers classes in all 50 states across the nation, challenging students to become Christ-like servant leaders through focused training that takes place at their State Capitol.

Congratulations Rick & Denise Johnson on winning the MAGA Raffle!

Supporting the pro-life cause is about more than words. It is about putting compassion into action and finding meaningful ways to support mothers, babies, and families in need. We are proud to share that TARS (Teenage Republicans) generously donated six car seats, helping provide essential safety and support for families with young children. The Gallegos family was also blessed with the opportunity to contribute by donating 102 brand-new, no-touch thermometers, valued at approximately $1,500, to Aid to Women centers. We hope these donations will help provide valuable resources to the women, children, and families these centers serve. Additionally, the Gallegos family had the wonderful opportunity to attend the Stomp Out Abortion Gala. It was an amazing and memorable evening, filled with fellowship and an opportunity to connect with others who share a passion for the pro-life mission. We believe that supporting life means extending love, kindness, and compassion beyond words. Every donation, every act of service, and every helping hand is an opportunity to make a positive difference. Together, through generosity, service, and compassion, we can continue supporting mothers, celebrating children, and strengthening families.

Teens turn out for SEV Potluck, swimming, and election!

Shyan developed an interest in politics at an early age. Her introduction to the political world began when her mother ran for statewide office in Arizona. Throughout the campaign, Shyan had the opportunity to travel across the state, attend Republican club meetings and rallies, and meet community members and political leaders. She also participated firsthand in campaign activities, helping gather petitian signatures, distribute campaign materials, speak with prospective voters, ad place campaign sighs. These experiences sparked her interest in politics and inspired her to become more involved in the Republican Party and its activities. Outside of politics and Academics, Shyan enjoys cooking, traveling, working out, and spending time with friends and family. As a member of Teen Republicans, Shyan looks forward to building friendships, learning more about civic engagement, and contuing her involvement in the political process.
